

Ella

Jacopo Foggini

General description:

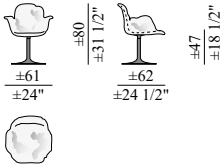

Small armchair with armrests, entirely handmade in polycarbonate. It is supported by a pedestal that allows rotation. The petals of transparent and soft hues mix green and blue, anthracite and gold.

Technical description:

Seat and back formed by a monocoque of polycarbonate shaped by hand. Colours: transparent with green/blue shades, transparent with anthracite shades or transparent with gold shades. Pivoting metal base available in semi-gloss black, ruthenium, palladium or gold finish. Available as a high stool with metal base in ruthenium finish. Pivoting base with adjustable height. Each piece is handmade and always different from others in terms of size, shape and colour.
