

Ella

Jacopo Foggini

General description:

Chair with armrests, entirely handmade in polycarbonate.

It is supported by a pedestal that allows rotation.

The stem is black. The petals of transparent and soft hues mix green and blue, anthracite and gold.

Technical description:

Seat and back formed by a monocoque of polycarbonate shaped by hand.

Colors: Transparent with green / blue shades, or transparent with anthracite shades with base in black semi-gloss varnished metal, or transparent with gold shades with metal base in 24 carat gold finish. Available as a high stool with metal base in ruthenium finish.

Swivel base with adjustable height.

Each piece is handmade and always different in size, shape and color.
